

St. Giles School  
Internet Use and Guideline Permission Form

Dear Parent/Guardian:

St. Giles School is pleased to offer students access to the computer network for the Internet. Teachers will supervise all Internet use by students at all times. Please review the following guidelines with your child and sign below. This form is to be returned to his/her Homerroom Teacher.

1. Computers in the classroom and computer lab are for academic purposes only. The Internet should be used to locate and examine sites with academically worthwhile and relevant information. No student shall use the Internet for abusive speech, obscenities, or disruptive behavior. Abuse will result in loss of computer and Internet privileges.
2. There must be no tampering with the hardware or software of the computer. Tampering with the equipment, altering programs, installing programs without authorization, or reconfiguring any part of a computer are prohibited and will result in loss of computer and Internet privileges. Student will be instructed about how to use the machine and should carefully follow those instructions. There will always be a teacher in the room to assist students and answer any questions.
3. Students are taught to use materials gained from the Internet for research notes and not for exact copying of information (plagiarism).
4. All other general school rules for behavior and communications apply. It is expected that students will comply with school standards and the specific rules set forth above. The use of the network is a privilege, not a right, and may be revoked if abused. The student is personally responsible for his/her actions in accessing and utilizing the school computer resources. All students are advised never to access or keep anything that they would not want their parents or teachers to see.

**I have read and agree to the above guidelines and consequences. I have discussed it with my child. Further, I give permission for my child to use the Internet at St. Giles School in accordance with the above guidelines for the period of time my child is a student thereof. In the event I wish to withdraw my permission, I shall do so in writing to the principal of St. Giles School.**
