

For this year's Black & Gold, we will again be using Handbid, a mobile silent auction platform that allows you to bid from your smartphone. **Save time by getting setup NOW. Purchase tickets and start bidding on March 5 when the silent auction opens!**

**STEP 1: DOWNLOAD THE HANDBID APP**

If you have an iPhone or Android, you can download the Handbid app from the Apple iTunes App Store or the Google Play store.

*We strongly recommend you “accept notifications from this app” when you open it and join an auction. This will allow you to get push notifications for “outbid” messages during the auction.*

**STEP 2: SIGNUP**

Click GET STARTED, REGISTER and enter your information (make sure to use your cell phone number - this is the number your notifications will be sent to). Tap NEXT.

Handbid will text you a 5 digit code. Enter this code to login. Once you are logged in, search BLACK & GOLD PRIDE from all events tab, click on the B&G icon, swipe left and click LET’S GET BIDDING!

Swipe left and right on your cellphone to scroll through the different category tabs at the top to see what’s available! Check back – more things will be added. Silent auction opens for bidding March 5!

**HANDBID APP TIPS:**

**Max Bid**-This is the maximum amount you are willing to spend for an item and the Handbid system will automatically bid for you until you reach your max. Set a max bid and enjoy your evening!

**Notifications**-If you have downloaded the Handbid app and accepted push notifications, you will be notified when you are outbid on an item.

**Dashboard**-Monitor what you are currently winning and losing on the dashboard screen in your app or online.

**NO SMARTPHONE? NO PROBLEM.**
