Interscholastic Athletic Program Goals and Mission

The St. Giles Interscholastic Athletic Program exists to contribute to the School's mission and its educational goals. Under the direction of the Athletic Director and in accordance with all established policies and tenets set forth by St. Giles School, an Interscholastic Athletic Program is offered for St. Giles School students in fifth through eighth grades. Participation is encouraged, open to all students within the context of the appropriate grade level, and intended to be an enjoyable, rewarding, and learning experience that complements and supports academic excellence.
